Major Religious & Cultural Holidays

The existence of a religious holiday on a given day is, in and of itself, not a valid reason for removing a full or half day from the school calendar. A partial list of major cultural holidays are listed on the reverse of the school calendar for reference only.

To be consistent with the spirit and letter of the law, and to avoid compromising any student's religious freedoms, the following guidelines are established.

Excused Absences: Georgetown Public Schools will allow excused absences to celebrate major religious holidays.

Notification of Absences: Parents are expected to follow procedures for 'reporting an absence' as stipulated in the student handbook.

Religious Holiday Observance: A student may not be penalized for their observance of a religious holiday. The student is expected to complete work impacted by the religious observance at a time mutually agreeable to the teacher and the student. Staff and teachers shall provide students with any assignments prior to the absence if requested and if available Otherwise, these items shall be provided upon return from a religious holiday.
