**PARENTS AND COMMUNITY MEMBERS, WE ARE SEEKING YOUR INPUT AS PART OF OUR
MIDDLE/HIGH SCHOOL PRINCIPAL SEARCH PROCESS**

Georgetown Public Schools has engaged the New England School Development Council (NESDEC) to assist in the search for a new Georgetown Middle/High School Principal. An integral part of the principal search involves parent and community participation in the needs assessment process. There are several possible ways to share your ideas:

- 1. In-person focus group**
- 2. Virtual focus group**
- 3. Online survey**

The focus groups and the survey are designed to enable participants to provide insight into the knowledge, skills, and experiences they want the new principal to possess.

Dr. David DeRuosi, the NESDEC consultant who is working with the Superintendent to facilitate the search, will conduct the community needs assessment. He looks forward to meeting and talking with you.
