Notice of Special Education Records Destruction

August 11, 2026

Georgetown Public School District will destroy unclaimed Special Education records on or after November 1, 2026, for former students who transferred out of or moved away from the district or who exited Special Education services during 2018 and 2019. Individuals wishing to obtain their records must formally contact the Student Services Department in writing before October 16, 2026.
